

Brewery	Beer Name	ABV	IBU	Distillery	Spirit	Proof	Pairing Name	Notes
Baerlic	Hotfoot Imperial Caramel Porter	8.3%		Rolling River Distillery	Ole Bjørkevoll Aquavit	84	Ole Hotfoot Bjørkevoll	Smooth and full bodied pairing of dark malt, chocolate, coffee, smoke, crisp aromatics, and the warmth of spirits. Caramel notes, and licorice make the pairing a smooth transition between the two. Try them each as a chaser or blend them together for a smooth beer cocktail.
Barley Brown's	Twisted Whisker Scotch Ale	8.0%	30	Stein	5yr Ram Rye Whiskey	80	Twisted Rye Whisker	Of the many pairings (Not a bad way to spend an afternoon!) we tried, this one was our favorite. The 5 year Stein Rye Whiskey balances the sweetness of the scotch ale without diminishing the barrel character of the Rye Whiskey.
Base Camp #1	3rd Anniversary Belgian Dark Strong			Pilot House Spirits	Absinthe		Starry Night	
Base Camp #2	Pilgrimage Saison			Pilot House Spirits	Lime/Jalapeno Vodka		Spicy Wanderer	
Base Camp #3	Gnar Gnar IPA			Pilot House Spirits	Gin		Botanihop	
Breakside #1	Safe Word Triple IPA	10.5%	100+	Thomas & Sons	Townshend's Bluebird	76	Mitten Slap	The maple-like notes of angelica, one of the many Alpine herbs used in Townshend's Bluebird, make for a surprising contrast to the piney and citric hop notes in Safe Word. The sweetness from the beer, the liqueur, and the alcohol combine for a very robust and warming pairing.
Breakside #2	Belly Laugh Classic Saison w/ Spice	5.6%	16	Thomas & Sons	Townshend's White Rose	80	Rosy Cheeks	Belly Laugh is a saison with a delicate addition of grains of paradise and elderflower. Townshend's White Rose complements the spice character of the beer as the rose petals add another layer of spice complexity to the drink.
Cascade	Tartini			House	Aviation American Gin		TBD	
Coalition	Bosc Mode	5.0%	5	New Deal	New Deal Ginger Liqueur	51	Ginger à la Bosc Mode	Although developed entirely independently, it seems as though these two drinks were made for each other. Spicy notes from New Deal Ginger Liqueur intermingle perfectly with the pear sweetness and notes of oak in the Bosc Mode. The light alcohol heat from the spirit is balanced out by the light body of the beer, creating this bold yet refreshing pairing.
Commons	Commons Pumpnickle Rye Saison			Stone Barn	Nocino		TBD	
Culmination	"Sai What?" Black Saison	5.5%	20	4 Spirits	Bourbon	80	Sai You? Sai Me!	Caramel and vanilla nuances from the bourbon pair exquisitely with esters and phenolics from the saison.
De Garde	Saison Melange No.3	6.0%		Ransom	Ransom Dry Gin	88		This wild farmhouse ale aged in wine and gin barrels & the Ransom Dry Gin pair perfectly, like the traditional pairing of Pilsner and Genever, known as a Kopstoot.
Double Mountain	Moon Patrol Imperial Stout	8.4%	82	Hood River Distillers	Lucid Absinthe Superieure	124	Space Madness	You would think that the robust flavors of Imperial Stout and Absinthe would crash and burn, but this spirited pair work together to create a combustion of flavors in your mouth. Get ready for warm herbs, subtle sweetness, and a whole lot of madness.
Ecliptic	Orange Giant Barleywine Ale	12.5%	80	Clear Creek Distillery	CCD Apple Brandy	80	Apples to Oranges	The hearty malt profile of the Orange Giant Barleywine pairs nicely with the oak up front and round finish of the Apple Brandy. A citrus nose and robust hop character found in the beer is complemented by the notes of vanilla in the brandy, gained from 8 years in French oak. The high ABV content in the barleywine provides a nice backbone to the high proof, bone dry spirit. The perfect pairing to keep you warm on a February day in Portland!
